**WhatsApp Permission:**

There will be a WhatsApp group for all attending. If you would like to be added to the group, enter your number(s) below:

**Entertainment:**

Saturday night entertainment is still under discussion but is likely to include an opportunity to show-off your party piece. If you're willing to take part, check here to have the Entertainments Organiser contact you:

**Pre-Lube and Post-Lube**

There will be a pre-lube day excursion to Paxos and Anti-Paxos on Thursday 21st - cost 18euro (pay on day).

The main hash weekend will be followed by a post-lube *overnight* trip to Albania (you know you've always wanted to go there). The cost for this will be an extra 85euro plus hotel. Details attached  
Check here to have the organiser to contact you

I accept that payments are non-refundable, that it is my own responsibility to get to the hotel, and that if I don't make it, it is my own fault. I also accept that hashing is a communal activity, and therefore broken mind, body or spirit remain the sole concern of the owner, who should expect no more than mild sympathy, perhaps a beer raised in my memory, and a phone call to:

**your Emergency Contact - ie someone that is NOT YOU!**
