Entertainment:

Saturday night entertainment is still under discussion but is likely to include an opportunity to show-off your party piece. If you're willing to take part, check here to have the Entertainments Organiser contact you:

Not checking this box does not exempt you from participating.

Pre-Lube

There may be a pre-lube day excursion to Paxos and Anti-Paxos on Thursday 26th - cost around 20euro (pay on day). Interested?

Post-Lube

The main hash weekend may be followed by a post-lube *overnight* trip to Albania (you know you've always wanted to go there). The cost for this will be around 100euro plus hotel. Interested?

Check the boxes to have the organiser to contact you

I accept that payments are non-refundable, that it is my own responsibility to get to the hotel, and that if I don't make it, it is my own fault. I also accept that hashing is a communal activity, and therefore broken mind, body or spirit remain the sole concern of the owner, who should expect no more than mild sympathy, perhaps a beer raised in my memory, and a phone call to:

your Emergency Contact - ie someone that is NOT YOU!
