

General Info

Travel: Naxos has an international airport for holiday charters, and connecting flights from Athens are frequent with Aegean, Olympic or SkyExpress. Ferries run daily from Piraeus or Rafina. Schedules at www.ferries.gr. If you need a hand with arrangements in Athens, let us know and we'll try to help.

Hotel: We've booked ALL the rooms in the Plaka II hotel for the Friday and Saturday nights. It will be a Hash House, with its own pool and garden exclusively for us. We intend to make the best possible use of this. AH3 collects the money for these two nights only and will pay the hotel. We can book the extra nights you request, but you will pay the hotel directly for these.

Occupancy	Room Rate per Night inc. Breakfasts
Single	45
Double	50
Triple	60
Quad	70

There may be more regos available than the hotel can accommodate. Rooms will be allocated on a first-come-first-served basis, with late bookers charged the "No Room Hash Only" rate, and directed to other hotels nearby to arrange their own accommodation. Any hashers not staying in the Plaka II will be included in events just the same.

HashCash: In a change to the usual system, the Friday night taverna AND the Saturday evening meal are INCLUDED in the fee for the weekend. There will be NO collecting of money before or after these meals. There will even be drinks included.

Food: Breakfasts are provided by the hotel. Friday and Saturday evening meals are arranged by us, and included in your hash fee. Any other food and drink will be paid individually.

- Drink:** There will be coolers of beer, cider, alcopops and soft drinks before and after each hash. Hashes may include beer stops and bottled water will be provided. The coolers will be packed up at the end of the circles. Friday's meal will include some wine or a beer, and the taverna will be happy to sell you extra. Saturday's meal will be in the hotel, and the Hash will be providing drinks for the whole evening. For the REALLY dedicated, the "East European late-night vodka den" may be making an appearance. Any hasher wanting alcohol at breakfast should contemplate their lifestyle.
- Children:** Properly-trained Hash horrors are welcome. Athens Hash is officially family-friendly. Hash fees for under 16s on request.
- T-shirts:** As always, there will be an Island Weekend T-shirt included in the hash fee. Please remember that we order the size that you request, and they are always snug-fitting. Nobody is judging you for ticking 3XL.
- WhatsApp:** We will create a WhatsApp group for everyone who registers for the weekend. It has proved to be an excellent tool for the usual cat-herding chaos that is an AH3 island weekend. Please include your numbers on the Rego form.
- Help:** Hares and AH3 organisers are always ready to pass jobs to volunteer assistants. If you are arriving early and can co-hare, can carry a beer-cooler, or are able to count heads on a bus, we are glad of the help.
